2020 Annual Report

A SNAPSHOT OF A YEAR WE WILL NEVER FORGET
A STATEMENT FROM OUR CEO

“As we look back on 2020 one thing is clear, Community-Minded Enterprises embodied the word resilience. In March, almost without warning, our doors were closed and our staff began working from home. We were in unchartered waters. It was big and sometimes scary, but through it all, Community-Minded Enterprises remained true to its mission. I am so proud of the work we did in 2020, and grateful to our staff, supporters, and partners for an amazing effort. As the organization’s CEO I am pleased to share our 2020 Annual Report – a snapshot of a year we will never forget.”

—Lee Williams

CARES Act Funding Helped Families and Child Care Providers
Community-Minded Enterprises distributed CARES Act funding to families and child care businesses enabling first-responders and other critical workers to serve their communities.

Remote Fundraising for Organizations
Our CMTV14 crew helped organizations accomplish remote fundraising by using video and virtual events rather than in-person fundraising. Here, DaShawn gets footage of Patrick, an Early Achievers Coach for a documentary on CME.

Lessons and Supplies for Remote Learning
Our Early Childhood Education and Assistance Program (ECEAP) team provided lessons and supplies to families educating their children while learning remotely. ECEAP staff combined education and safety to assist these families.

Remote Working
Teams across CME worked remotely without missing a beat, including our Child Care Aware Professional Development Program and Plan to Work.

Recovery Services
Those in recovery received ‘grab and go’ lunches and a friendly smile from Jill at the Recovery Café in Spokane. The Recovery Services Team protected themselves and others by following masking guidelines while responsibly caring for and serving their members.

Keeping People Safer
Brandy in Spokane, and Blanca in Pasco — part of our Child Care Aware of Eastern Washington staff — delivered Personal Protection Equipment and supplies to child care providers, helping them safely care for children in their communities.
Thank You To Our Donors
